EXPERIENCE

Animator / Graphic Design

MAR 2021 - PRESENT | Proverbs Records, Los Angeles, CA

- Produced storyboards to visualize animation sequences and collaborated with design team on character development.
- Demonstrated excellent attention to detail when producing complex animations involving multiple layers and elements.
- Created animated narrative sequences under tight deadlines using computer software and hand drawing techniques.
- Made objects and characters appear lifelike by manipulating static images to give illusion of motion.
- Developed standards to help animations blend seamlessly while maintaining visual appeal.
- Collaborated with producers to ensure that the desired visuals were achieved within budget constraints.
- Applied story development, directing, cinematography, and editing to animation to create storyboards and map out key scenes and characters.

EDUCATION

Bachelor of Science (B.S.) in Media Art & Animation

JUN 2017 | Art Institute of Philadelphia, Philadelphia
